Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Column B figures for the Summary and Detailed Summary Page information should equal the sum of the Column B figures on your previous report and the Column A figures on this report. Please file an amendment to your report to correct the Column B discrepancies for Lines 11(a)(iii), 11(e), 16 and all subsequent report(s) which may be affected by this correction. Note that Column B should reflect only the election cycle-to-date totals. (2 U.S.C. §434(b))

-Schedule A of your report discloses earmarked contributions from individuals totaling \$7,650.00; however, the memo entries disclosing the conduit for these contributions total \$26,688.00. Please be advised that when a committee receives an earmarked contribution(s) through an allowable conduit, each individual contribution should be itemized when the individual's total contributions to your committee aggregate over \$200 per calendar year. This itemization must include the full name, address, occupation, and employer of the individual contributor along with the date the contribution was received by the conduit. Any un-itemized contributions from individuals received through the conduit should be included in your totals on Line 11(a)(ii) of the Detailed Summary Page.
